***Additional tips:***

- Filers will receive an accepted email with a hyperlink that directs them to their original filed document and an accepted conformed copy with the Court's eFile stamp.
- The conformed document is only available for 90 days in eFile & serve, filers are responsible for their own document management.
- Filers can also access their envelope details from the Dashboard, choosing filing history, selecting actions, envelope details.
- Filers can search by the defendants' name; radio button has case # and/or party search option. Party search can also be used to look up license plate, state abbreviation in the first name, plate number in the last name.
- Waiver payment account information and instructions can be found by searching "adding a waiver payment account" in user guides found [HERE](#).
